

HOW TO JOIN THE PARTNER SCHOOL SCIENCE PROGRAM

1. Download the **Framework** and check to see if your school meets the requirements for joining the program. The basic requirements are:

- A motivated middle school science teacher
- A supportive principal
- One computer with internet access for every three students
- Student and teacher fluency in English

2. If your school qualifies for the program, download the proper Application Form.

- *U.S. schools, please use the **U.S. Application Form**.*
- *Schools from other countries will use the **Application Form**.*

3. Completed application forms should be sent via fax or e-mail. In the U.S., original application forms should also be mailed to GFTSE headquarters.
